“A single loop or division of a chain; single part of a connected series; connection, tie.”

Montreat-Anderson College is a unique academic community of people who are connected . . . linked together by their common faith in Jesus Christ as Lord and shared commitment to personal maturity and academic advancement.

All students are asked to bring this book to college with them and will be held responsible for knowledge of its contents.

Montreat-Anderson College does not discriminate in its educational program against any student on the basis of sex, race, religion, nationality, or handicap.

June 1987

Dear Student:

If you are entering Montreat-Anderson for the first time, welcome. If you are a continuing student, thank you for affirming your belief in this college by attending another year. Whatever the case, let me assure you that preparation is being made and will continue throughout the summer for your arrival in late August.

Montreat-Anderson is a place of "choices." One of the most important choices was made when you decided to attend here rather than some other college or university. During the coming weeks and months, you will make many more - some of great significance to your life, others not so important. At some point, if you have not already done so, you will choose a major field of study. That will affect whether or not you remain here for your four years of bachelor degree work. If our programs meet your needs, of course, I hope you will stay.

Other choices will be faced in your academic work, spiritual life, social situations - too numerous to name. Life itself is, after all, a series of choices. In all of these situations, dedicated Christian faculty, resident directors, other staff, and the administration stand ready to be of help - whether through a word of encouragement or advice, listening, or, hopefully, by a good example. We care about you and the tough decisions you must make about your future and your daily life.

By choosing to attend Montreat-Anderson, you have indicated a willingness on your part to accept the responsibilities and challenges of being a part of a community in which Christ is honored. You will be counted on to share your talents and abilities to help shape the character of the coming school year in the right direction.

On behalf of the Board of Trustees, administration, faculty, and staff, welcome! Together we can make this the kind of college that will further the cause of excellence in education and the Kingdom of God. My door is open. Please come by whenever I can be of help.

Sincerely,

A handwritten signature in cursive ink that reads "Silas M. Vaughn". The signature is fluid and has a personal, handwritten style.

June 1987

Dear Student:

Welcome to Montreat-Anderson College! It is a new year for all whether you are a freshman or a returning student. I am delighted that you made the excellent choice to become a member of Montreat-Anderson.

Your choice means that fresh opportunities are now before you to participate in the marvelous adventure, challenge and responsibility of learning and living in a Christian academic community. Opportunities are yours to grow in knowledge of and faith in God as revealed in Jesus Christ. Opportunities are yours to grow in your relationship to others, the world and yourself.

Just as you chose to come here, so it is absolutely crucial that you daily make a choice to take advantage of your marvelous opportunities by responding in positive and responsible ways. You will receive in the measure to what you put into your studies, activities and interpersonal relationships this new year.

We faculty, administration and staff are eager to serve, encourage and assist you on your journey this year. We, too, are "in process" and thus imperfect. However, the good news is that all of us can work diligently together in making this a great year!

Read carefully this handbook. Come by and see me if you have questions or need to discuss student affairs or personal matters. It is my great hope that as we journey through the year together, we will become, by God's grace at work in us, a little more like Jesus Christ and thus bring praise and honor to God our Father.

Joyfully yours in anticipation of a great year,

*T. Michael McDowell*

## **HISTORY AND PURPOSE**

Montreat-Anderson College is a Christ-centered four-year college committed to presenting a liberal arts education with a Christian perspective. The college began in 1916 as Montreat Normal School, an institution founded by the Presbyterian Church, U.S., to prepare young women to become Christian teachers. In 1933 the school became a junior college and was renamed Montreat College; from 1945-1959 it was a four-year college for women. In 1959 it became a coeducational junior college and was renamed Montreat-Anderson College. Its founders established the college for the purpose of teaching "the biblical view of the nature of man and the meaning of life." Today, that commitment to a Christ-centered education continues at Montreat-Anderson College.

The college seeks to educate the

whole person—academically, spiritually, physically, and socially—and an atmosphere of friendliness and concern for others exists on campus, fostered and growing in commitment to Jesus Christ.

The Presbyterian founders of Montreat-Anderson College were of strong conviction and clarity of purpose. They proposed in their charter "that those attending the college receive a sound and thorough Christian education suitable to their needs." They made it clear that they were establishing a college in which students would receive "instructions in the Holy Bible." Over the years this original purpose of the founders to provide "... a sound and thorough Christian education" has been continually affirmed, and the college today prizes its church-relatedness as that which gives it a distinctive stance in the educational world.

# **GENERAL INFORMATION**

## **ASHEVILLE COMMUNITY CONCERTS AND THEATRE**

Students may purchase season tickets at the beginning of the school year for one or both of these series. The concert series brings five well-known artists or groups to Asheville during the year—orchestras, pianists, dance groups, etc. The theatre presents the same number of plays, using local talent; it is considered as excellent amateur theatrical productions. Tickets are made available through bookstore periodically at no cost. Contact the director of student activities.

## **BELK CAMPUS CENTER**

The Belk Campus Center is oriented to students' needs—social, academic, and spiritual. Major components of the building directly related to extracurricular activities include a mall, a study lounge, a recreation lounge, a snack bar, a college store, mailroom, and offices for student organizations and publications. The office of the vice president/dean of the college is located on the second floor. Also, in the same location, are the offices of the associate dean for student affairs and academic affairs. For the immediate future, the third floor of the center will be used for a variety of student activities, such as organizational meetings, informal gatherings, drama, dances, and movies. This space has been designed for eventual conversion into additional classrooms where needed for academic purposes.

The Belk Campus Center provides space for art studios, classrooms, and faculty offices. A music/choral classroom, and areas to display the students' talents in drawing and painting, as well as pottery, weaving,

and sculpture, are provided.

The students benefit spiritually from the opportunities for individual and small group prayer and meditation provided by the prayer room. Nearby is a prayer porch overlooking a mountain stream.

A patio is located in front of the campus center with a 50-space parking area just across the street.

## **BULLETIN BOARDS**

Announcements are made by means of notices on bulletin boards. Faculty members also use such notices to get in touch with students; students are responsible for reading notices. Students should form the habit of checking the main bulletin board in Gaither Hall daily and the boards in dormitories regularly. Approval to display Belk notices must be obtained from the director of student activities.

## **CHECK CASHING SERVICE**

Check cashing privileges are available to all students and employees of Montreat-Anderson College. Students are encouraged not to keep extra money in their rooms but rather to open checking accounts locally or from home with established banks. Following are the conditions and limitations for individuals cashing checks at Montreat-Anderson College:

1. The maximum amount permitted for a personal check is \$25. Checks for a higher amount may be accepted for merchandise.
2. The individual's address and telephone number must appear on all checks.
3. The M-AC identification card will serve as identification for check-cashing purposes.

Returned checks will be redeposited. In the event a check is returned for the second time, a penalty of \$10 will

be imposed and a letter written requesting settlement within three days.

If the account is not settled within three days, a hold will be placed on student records until both the check and the penalty have been paid.

Individuals who have two or more returned checks will be identified and all campus check facilities will be instructed not to cash checks for these individuals without special permission from the treasurer-business manager.

## **COLLEGE STORE**

The college store is located on the first floor of the Belk Campus Center. Textbooks, paperbacks and supplies, etc., can be purchased along with other items of personal interest.  
Hours to be posted.

## **COLLEGE VEHICLES**

College vehicles may be used, if available, for the following purposes only:

1. Medical:  
Take food to health center.  
Take students to see a physician or to the hospital. (The initial trip for each accident or illness will be provided at no charge to the student.)
2. Official school functions away from campus as designated, in writing in advance, by the instructor or sponsor. This notice must be sent to the business office. (Fees for these trips are group rate.)
3. Individual student transportation to and from airport, train, and bus stations. (These will be made if school transportation is available; otherwise, students must procure their own way to and from these destinations.) Requests must be made at least 24 hours in advance.) Keys to all college vehicles are kept in the business office and only authorized drivers will be permitted

to drive them.

Fees must be paid in advance for use of vehicles. Personal use of college vehicles is prohibited.

## **LAUNDRY**

A self-service launderette is located behind Montreat General Store every day except Sunday from 9:00 a.m. until 11:00 p.m. Several washers and dryers are located in selected dormitories. Launderettes are also open in Black Mountain daily.

## **L. NELSON BELL LIBRARY**

The library houses a collection of 53,000 books as well as collections of recordings, filmstrips, college catalogs, and some 350 current periodicals. Library hours will be announced each semester.

## **MONTREAT STORE**

The General Store is open at 8:30 a.m. until 5:00 p.m. each day. It is located in the commercial center with the launderette. The store is closed on Sundays.

## **POST OFFICE**

Students will have a permanent mailing address of M-AC Box \_\_\_\_ , Montreat, NC 28757.

Student mailboxes are located in the mall area of the Belk Campus Center. Packages, registered mail, and mail orders must be transacted at the main U.S. Post Office on Assembly Drive.

## **STUDENT HEALTH SERVICE**

Students should come to the health center when ill or injured. A nurse will be in the office from 9:00 a.m. to 3:00 p.m. Monday through Thursday and 9:00 a.m. to 1:00 p.m. Friday. Students are requested to come to the clinic during these hours. A nurse can

be located in the evenings by contacting the resident director in your dorm or a resident assistant. A nurse will visit a student in his room when deemed necessary.

Students are expected to and are responsible for maintaining a high level of health while at Montreat-Anderson College. The health center encourages and educates students to practice good health habits and adopt positive lifestyles which will help increase good health. Students are expected to be actively involved in making positive health choices.

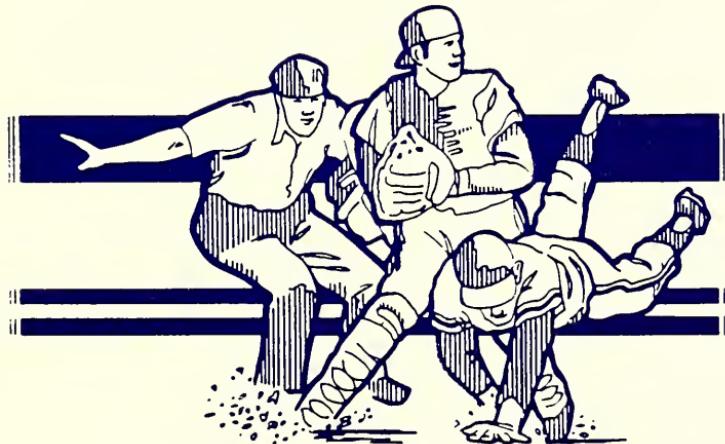

No written excuses for classes missed due to illness or injury will be issued by the health center. Students should understand the absence policy set up by their individual professors and should be responsible for them for classes missed. The health center will notify the dean's office of the name of the student who has a prolonged

illness or requires hospitalization. The excuse for classes missed due to this will be up to the professor.

All appointments with physicians should be made through the health center. The college nurse will refer students to specialists in Asheville when necessary. The student health center will endeavor to help a student make transportation arrangements to a given physician. There is a charge for an office visit and prescription medications.

Any emergency should be handled by the college nurse. She will make arrangements for the student to be taken to the emergency room in Asheville.

There are no regular visiting hours for students admitted in the health center. Roommates may bring mail and other items to the student with permission of the nurse.

# **COLLEGE LIFE REGULATIONS**

"The Presbyterian Founders of Montreat-Anderson College were men of strong conviction and clarity of purpose. They proposed in their Charter 'that those attending the college receive a sound and thorough Christian education suitable to their needs.'"

You have chosen to attend a church college, established and supported by church people. You have become a citizen in a college community which seeks to live by Christian ideals and moral standards.

## **THE ADMINISTRATION**

Responsible student leadership has established a tradition of effective student government at Montreat-Anderson College. The administration is grateful for this valuable contribution to the college community and pledges its support and counsel to those students charged with the responsibility of maintaining this tradition.

When any violation of college or student government regulation occurs, the case is usually considered in one of the student courts, except for those cases reserved for consideration by the administrative committee.

Occasionally, however, special circumstances in a disciplinary case warrant action or consideration by the administration.

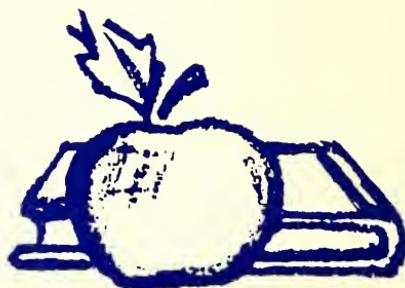

The guidelines for punishment of misbehavior used by student government are also followed but may be modified when the administration rules on disciplinary cases.

In accordance with this statement and because the administration is responsible for every facet of college life, the president of the college, the vice president/dean of the college, and

the associate dean for student affairs reserve the right to handle special cases of discipline and reserve the right to review regulation changes made by the student legislature.

## **THE ADMINISTRATIVE COMMITTEE**

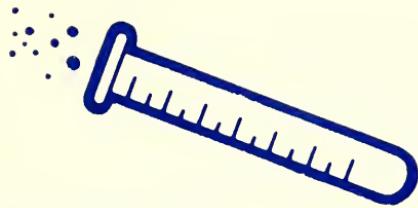

This committee is composed of two administrators, two faculty members, two students, and the vice president/dean of the college as chairman. Its function is to hear about appeals from the student affairs' office and all cases involving the use of illegal drugs and sexual promiscuity.

## **GENERAL BEHAVIOR**

*(Action by the Administrative Committee)*

At Montreat-Anderson College the individual is given as much freedom in the exercise of his rights and responsibilities as is consistent with the well-being of the entire college community. However, the college reserves the right to suspend or dismiss any student whose character and morals are not consistent with the ideals of the college, or whose influence is detrimental to it. Off-campus conduct also shall be in keeping with the ideals of the college. "Campus" is officially defined as the Township of Montreat for purposes of conduct included herein.

## **HEALTH AND IMMUNIZATION REQUIREMENTS FOR ADMISSION OF FRESHMEN AND NEW STUDENTS**

In order to be registered for classes upon arrival on campus each student MUST have submitted a MEDICAL EXAMINATION REPORT AND IMMUNIZATION RECORD filled out in full and signed by a physician!

North Carolina law REQUIRES all students attending a public or private college or university to submit proof of immunization PRIOR TO REGISTRATION. (Exceptions are allowed only for bona fide medical and religious reasons.) All records of immunizations must be certified either by a physician's signature, a Health Department stamp, or a copy of North Carolina School Health Department stamp, or a copy of North Carolina School Health Record.

**DISMISSAL FROM SCHOOL IS MANDATORY UNDER THE LAW if these immunization requirements are not met.**

## **MOTEL REGULATIONS**

Resident students are not permitted to sign out to a place of public accommodation unless circumstances require, in which case written permission must be secured from the resident director and from parents at least 24 hours before time of departure.

In no cases may unmarried students take overnights nor host parties in accommodations (e.g. motels and hotels) with members of the opposite sex.

## **ACADEMIC REGULATIONS OF THE COLLEGE**

(Action by the Dean of the College)

Students are expected to be familiar with all of the academic regulations stated in the college catalogue and are responsible for abiding by them. Other academic regulations may be stated by the dean of the college or the academic affairs committee.

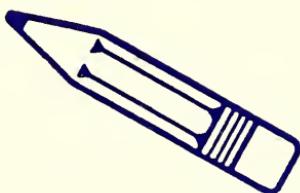

## **ACADEMIC PROBATION**

(Action by the Faculty)

Full-time students are required to maintain a specified quality point average on a minimum of 9 hours to remain in good standing. A student who fails to gain a QPA of 1.5 after his/her first semester and 1.75 thereafter will be placed on academic probation. Under certain circumstances, a student may be placed on academic probation, by act of the dean of the college or of the academic affairs committee. The status of academic probation is withdrawn at the end of the semester if the student has earned the specified quality point average. Certain privileges may be restored by the dean of the college to a student on academic probation if the student has no unsatisfactory grades at midsemester. Any student who has academic probation status at the end of two consecutive semesters will be suspended.

Students on academic probation must attend evening study halls regularly and will not be allowed to participate in any major extracurricular activities, which are defined generally as activities requiring participation more than once a week. Intramural sports are exempted from this regulation since this does not involve regular practice with the written permission of the dean of the college. No student on academic probation

will be allowed to represent the college in any way. A student on academic probation will not be permitted to loan, borrow, or use a motorized vehicle without permission, except on weekends.

## **ACADEMIC QUALIFICATIONS FOR STUDENT LEADERS**

*(Action by Associate Dean for Student Affairs and Faculty)*

While it is recommended that all students holding major offices have a 2.75 QPA a 2.5 is required. All minor offices and resident assistants are recommended to have a 2.5 QPA but must have at least a 2.0 QPA at the time of the election and maintain it until the end of their term of office.

No student can remain in office who is placed on academic probation or disciplinary probation. Exceptions to this provision shall be made only by the associate dean for student affairs.

## **ACADEMIC SUSPENSION**

*(Action by the Faculty)*

The administration reserves the right to suspend or drop a student from the college because of poor scholarship. Any student on academic probation who fails to meet the requirements of the probationary status will be suspended without refund of fees. A student who has academic probation status at the end of two consecutive semesters or who is dropped from the required Bible courses or General

Studies will be suspended without refund of fees. A student who has more than 20% absences in any class will be subject to suspension. Any student who, in the opinion of the academic affairs committee or the dean of the college, is consistently neglectful of his academic responsibilities will be suspended from a course or from the college.

A student who is suspended by the dean of the college has the right of appeal to the academic affairs committee; a student who is suspended by the academic affairs committee has the right of appeal to the dean of the college or to the president. Persons suspended must leave campus within a specified time and not return during the period of suspension without written permission from the associate dean for student affairs.

Any student who is suspended for academic reasons may seek re-entry by reapplying to the college after one regular semester and if readmitted, will be placed on academic probation. Work undertaken in summer school and averaged into the previous semester's work will be considered in evaluating a student's probationary status.

## **ATTENDANCE POLICY PROCEDURES**

If a student falls below 12 academic hours because of having been dropped from a class for failing to observe attendance regulations, or if a student has been dropped from one of the courses required for remaining in college (Bible 101 and 3 hours from Bible, 102, 112, or 204 and General Studies—one-half hour each semester)

he may appeal in writing to the dean of the college within 24 hours of receipt of notification for permission to remain in school. Check with the registrar regarding the regulations on 12 academic hours or less.

## CLASS ATTENDANCE

(Action by the Faculty)

Each instructor will prepare his requirements for attendance in his classes and will distribute these in writing to the students, to the two associate deans and to the academic affairs committee at the beginning of each semester. Attendance regulations for General Studies will be posted at the beginning of each semester. It will be the responsibility of the instructor to enforce the regulations and to include the manner of enforcement in the written description. Students wishing to obtain written excuses for appearance in court, death in the family, emergency absences, etc., should obtain these from the student affairs office.

In no case shall a student have more than 20% absences in any class. More than 20% absences will result in the student's being dropped from the class with a grade of F. A student on academic probation should have no more than three absences in any course. If such a student has a fourth absence, regardless of reason, he will be dropped from the course with a grade of F. Students missing class due to disciplinary suspension will have absences counted, but should not be dropped from that class.

Registration in a course obligates the student to be regular and punctual in class attendance beginning with the first meeting of the class. Absences will be counted from the first day of classes. The responsibility for work missed because of unavoidable absences rests entirely upon the student.

## COMMUTING STUDENTS

(Action by the Associate Dean for Student Affairs)

When experiencing travel difficulties with breakdowns or bad weather, call the student affairs' office in advance of an absence.

This group shall select a representative to SGA at their first regular meeting in the fall.

## DISCIPLINARY SUSPENSION

(Action by the Associate Dean for Student Affairs)

The administration seeks to handle student misconduct in a redemptive manner where possible. The goal is for the student to learn from his or her mistakes and reconcile behavior with the college's expectations.

The administration reserves the right to suspend or require students to withdraw from Montreat-Anderson College for reasons of serious misconduct or failure to comply with the basic principles and purposes of the college. The administration further reserves the right to suspend students whose character and morals are not in keeping with the ideals of a Christian college or whose influence is detrimental to it. The duration of suspension may range from one week for lesser violations to permanent expulsion for major offenses. There will be no refund when dismissed for disciplinary reasons.

## **ELECTION OF OFFICERS**

*(Action by the Associate Dean for Student Affairs)*

Student leaders are encouraged to campaign actively and seek election of office in campus clubs and organizations. However, winners of major offices may not be chosen resident assistants and/or dorm presidents. Students are discouraged from holding more than one major office on campus. This policy will help protect the student's academic pursuits and participation in other activities.

## **EXTRACURRICULAR PARTICIPATION**

*(Action by the Associate Dean for Student Affairs)*

All students in good standing are permitted to participate in extracurricular activities. For participation by students on academic probation or disciplinary probation, there are various restrictions. Usually, students on academic probation may not participate in major extracurricular activities. Major extracurricular activities are defined generally as activities requiring participation more than once a week. Intramural sports are exempted from this regulation since this does not involve regular practice. The NJCAA standard for eligibility to participate in athletics shall be followed for all varsity sports.

Membership in clubs and organizations varies depending upon type of activity. The eligibility requirements for participation in each of these is established by an advisor or coach at the beginning of each year or season. Generally, tryouts are conducted where talent is a prerequisite.

## **GRADING PERIODS**

The final grade in each course is assigned and recorded at the end of each semester. In addition, midsemester progress reports are made by the faculty; unsatisfactory grades are reported to students. These midsemester reports do not become a part of a student's official record. Teachers of independent study courses may, at their discretion, submit NG (no grade) grades at midsemester.

## **POINT AVERAGE**

Quality points are assigned according to the following system:

- 1 semester hour with a grade of A counts 4 points
- 1 semester hour with a grade of B counts 3 points
- 1 semester hour with a grade of C counts 2 points
- 1 semester hour with a grade of D counts 1 point
- 1 semester hour with a grade of I or F counts 0 points.

Quality points average is determined by dividing the number of quality points by the number of semester hours attempted. For example: 3 semester hours of B (9 quality points), 6 semester hours of C (12 quality points), 3 semester hours of D (3 quality points), and 3 semester hours of F (0 quality points), provide a total quality point average (QPA) of 1.6.

## **REGISTRATION**

Toward the close of each semester, students in conference with their advisors plan and register for their course program for the following semester. Failure to register at the stated time will mean a possible loss of course selection and a late registration fee of \$10.

To facilitate transfer to senior institutions, it is important that junior college students meet the requirements for the associate degree. If the senior institution has been decided upon, students should become familiar with the requirements of the program they plan to enter and choose their electives to meet the requirements of the program at that institution. The faculty advisor will approve each planning prior to registration. The registrar and faculty advisor assist in arranging programs of studies, but it is the student's responsibility to become familiar with and fulfill all requirements for both the associate and baccalaureate degree.

If the students attend a course or section for which they are not officially registered, they will not receive credit for the work. If they do not attend a course or section for which they are officially registered and do not officially drop the course through the registrar's office, they will receive a grade of "UF" for that course.

## **REQUIRED COURSES FOR CONTINUING IN SCHOOL**

Full-time students and/or resident students who are not enrolled in the required courses for remaining in college and who have not completed work in them will be subject to suspension from the college.

All full-time students and/or resident students must be registered for the following courses unless they have successfully completed the requirements in them: Bible 101 and 3 hours from Bible 102, 103, 112, or 204, and one-half semester hour of General Studies per semester.

## **TUITION AND FEES**

Basic changes and special instructional fees for each semester are due and payable to Montreat-Anderson College on or before the first day of class for each semester. FINAL ADMISSION AND ENROLLMENT CANNOT BE GRANTED TO A STUDENT UNTIL SATISFACTORY FINANCIAL ARRANGEMENTS HAVE BEEN MADE WITH THE TREASURER OF THE COLLEGE.

## **WITHDRAWAL FROM THE COLLEGE**

A student withdrawing from the college for any reason must obtain a withdrawal form from the registrar's office and return it properly completed. If the withdrawing student fails to follow this procedure, he will not be entitled to an honorable dismissal. Full charges will be made and no refunds given to students who fail to complete the withdrawal form.

If the withdrawal occurs after the last day for dropping courses, a grade of "WF" will be recorded for each course unless the academic affairs committee rules otherwise or unless the withdrawal is due to certified medical reasons.

Further academic regulations and policies are found in the official academic catalog of the college and students are responsible for complying with these regulations and policies.

# **CAMPUS LIVING**

## **ALCOHOLIC BEVERAGES**

(Action by Office of Student Affairs)  
Montreat-Anderson College is opposed as a matter of principle to the use of alcoholic beverages by students. Off-campus consumption that adversely reflects upon the college will result in disciplinary action. The above regulations apply equally to day students.

The North Carolina Safe Roads Act prohibits students under age 21 from drinking alcoholic beverages.

Drinking or being in possession of alcoholic beverages in the dorm, on campus, or being under the influence on campus, will result in a minimum of disciplinary probation or a maximum of expulsion.

Students are responsible for seeing that their guests and/or dates abide by the regulations.

Any misconduct by a student involving the use of alcoholic beverages shall subject the offender to disciplinary action.

## **ATTENDANCE AT COLLEGE FUNCTIONS**

(Action by Office of Student Affairs)  
The Board of Trustees has passed the following resolutions:

"That the Board of Trustees affirm its conviction that corporate worship is an essential feature of the life of a Christian academic community, that participation in worship is an important element in the student's educational experience in a church college."

"That the Board of Trustees instruct the administration and faculty that chapel be conducted each week as an act of corporate worship by the college community. That faculty and staff be urged to attend regularly and that students be required to attend. That faculty, staff, and students be urged to gather for corporate worship on the Lord's Day."

Students are urged to attend regularly the church of their choice—Sunday evening vesper services, and prayer meeting. (No student meeting or athletic event is to be scheduled at the time of the weekly Wednesday night Montreat Presbyterian Church prayer meeting—7:00 p.m. to 8:00 p.m.).

As part of the Montreat-Anderson College way of life, all resident students shall attend General Studies and upon satisfactory completion shall receive one-half credit each semester.

Unless you have successfully completed the minimum requirements of General Studies, you should attend both convocation and chapel regularly until you reach the minimum requirements which are 10 by mid-term and 20 by final exams.

- a. Chapel services (as scheduled).
- b. College convocations (as scheduled).
- c. Official college functions (as announced).

Students who overcut will receive written notice and be required to make up absences if appropriate.

Although no excused absences are allowed, a maximum of four absences made be made up prior to the end of the semester.

Day students shall be present at official college functions.

Freshmen and new students are required to attend scheduled orientation meetings.

## CAR REGULATIONS

(Action by Office of Student Affairs)

All student automobiles or other motorized vehicles (whether operated by resident or day students) shall be registered with the student affairs' office. Upon registration, the student will be issued a bumper sticker.

Vehicles without a sticker may not park on the college premises. First violations are a \$5.00 fine.

When a student receives a parking permit, he is expected to allow his car to be searched by the security officers or by **an authorized officer of the college administration**. Refusal to allow a car to be searched will result in the revocation of the student's right to keep a car on campus.

Students on disciplinary probation may not loan, borrow or use a car or motorized vehicle on campus.

Students on academic probation may use vehicles only on weekends beginning after last class on Friday—before first class on Monday.

All other resident students may have a car on campus provided they secure a bumper sticker from the office of student affairs. Any vehicle issued a permit for campus use must be the possession of the student making application or of someone in the immediate family of that student. Once a permit has been issued to a vehicle, that permit may not be transferred to another vehicle.

### Violations

- A. Operation of a motor vehicle which causes a disturbance will constitute a violation, and will subject the driver to action by the associate dean for student affairs.
- B. Driving a motor vehicle carelessly or driving under the influence of alcohol will constitute a violation,

and will subject the driver to action by the associate dean for student affairs.

- C. Failure to pay fines within three days of receiving a citation will result in an additional \$3.00 penalty. If suitable arrangements to pay, or if the payment has not been made within 15 days, the parking permit of the offender will be revoked.

### Responsibility

- A. The person in whose name a vehicle is registered at Montreat-Anderson College will be held responsible for any violation involving the vehicle incurred by the registrant or other operators.
- B. Montreat-Anderson College cannot assume responsibility for any motor vehicle or its contents.

### Parking

- A. Resident students are to park in spaces designated by the college nearest their dorms.
- B. Faculty, staff and day students are to park in areas so designated.
- C. Students are not to park in visitor space or on private property.
- D. Day students and visitors should park in area across the street in front of Belk Campus Center.

## **DAMAGE TO COLLEGE PROPERTY**

(See College Regulations, Respect for Property)

Resident students are held responsible for any damage to their room or dormitory, and damage charges will be made to the occupant involved.

All students are responsible for college property and will be held accountable.

## **DISCIPLINARY PROBATION**

Disciplinary probation will vary in the number of days depending upon the violation. The conditions are:

1. You must keep study hall hours from 7:00 to 9:00 p.m. Monday through Thursday.
2. You must remain in your room from 7:00 p.m. to 7:00 a.m. and no visitors are allowed in your room (room restriction).
3. You may take no overnight permissions.
4. You may not use, loan, or borrow a motorized vehicle on campus.
5. You may not represent the college in any activity.

## **DRESS REGULATION**

The Student Government Association does not feel that it should regulate individual modes of dress. Reasonable discretion in clothing and appearance is expected of all students.

It is recommended that students wear appropriate attire to show due respect for those guests coming on campus.

Students are asked to refrain from wearing clothing that advertises offensive products (alcoholic beverages, drugs, etc.).

## **DRUG AND ALCOHOL ABUSE PREVENTION PROGRAM**

Montreat-Anderson encourages any student with an alcohol or drug dependency to contact the college nurse, Mrs. Judy Keels, for the time and place of a weekly rehabilitation meeting on campus. Non-students from the college community are welcome to attend these confidential meetings.

The college also brings in outside speakers to provide chemical abuse prevention education in Convocation.

In addition, community programs are readily available to students, faculty and staff.

## **THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974**

(Action by the Office of Student Affairs)

This act grants to all students enrolled in secondary education the right to inspect, to challenge, and to a degree control the release of information about a student in their files.

1. The request must be in writing on forms provided in the student affairs' office. The college has 45 days to comply with each request.
2. Following access, the student (or parent) may request a hearing to challenge the contents of a record. The associate dean for student affairs will arrange the time and place and notify the student (or parent) of such.
3. Except under court order will the information within a student's file be released without the written consent of the student. This provision excludes the custodian of the file.

4. Anyone properly looking at a student's file must put a signed explanatory form therein.
5. This Student Handbook, mailed to all students at their homes, complies with the requirement that students (or parents) be duly notified of their rights.

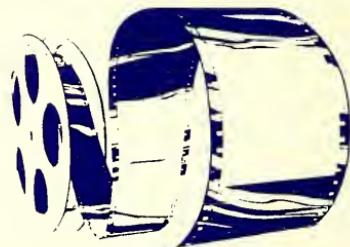

## FILM AND MEDIA REVIEW

Montreat-Anderson College endeavors to promote spiritual, physical, intellectual and social growth for students. One dimension of the social and intellectual programming involves the presentation of films and videos.

A reviewing and recommending body consists of the director of student activities, members of the student activities committee and a resident director. This body carefully considers the moral, intellectual, spiritual, and social impact of films and videos when choosing films/videos to be shown to the student body. Also important are the public status and reputation of the student body and Montreat-Anderson College, the outside considerations such as the conditions surrounding the showing and advertising of the film/video.

G-rated films are approved without review. PG-rated films will be approved subject to supporting information that can be found concerning the morally objectionable segments. There must be sufficient social and intellectual value in showing the films. R-rated films are considered inappropriate for campus viewing.

The same principles of concern for the appropriateness of the film/video to be presented must be met by the residence halls, clubs, organizations, staff, faculty, administration, and individual students in both public and private areas of the college campus.

## FIRE EQUIPMENT

(Action by the Office of Student Affairs)

Fire alarms and fire extinguishers are placed throughout the college buildings for the security of the community and in order to meet insurance regulations. The associate dean for student affairs will impose severe discipline on any student who makes unauthorized use of or interferes in anyway with the efficient functioning of this equipment, the result of which could jeopardize the safety and lives of other students.

## FOOD SERVICE POLICIES

(Action by the Office of Student Affairs)

The college is under contract with Epicure Management Services, Inc. for food services. All resident students are required to take the college cafeteria food plan. Generally, no line cutting by students is permitted. Faculty and staff also are expected to refrain from cutting line except in unusual circumstances. Taking utensils from the cafeteria without permission is an Honor Council offense.

I.D. cards are required to be shown prior to each meal.

Each student is entitled to seconds except on certain main course items such as meats. All portions of food

are on a personal consumption basis. A student may not elect to give portions of food to others.

Any misconduct or abuse of the above regulations may result in disciplinary action by the associate dean for student affairs. Any recommendations or suggestions regarding food service should be made directly to the manager of the food service or the Student Government Association Food Committee.

## FUND-RAISING AND SOLICITATION POLICY

All fund-raising projects and solicitations on campus must be approved in advance by both the Student Government Association and the associate dean for student affairs. Normally, the student activity fee is expected to cover the cost of student organizations and activities.

## GAMBLING

(Action by Honor Council)

Gambling by students is forbidden.

## HAZING

(Action by Honor Council)

Any type of physical or verbal punishment, humiliation, or intimidation by any student or another is forbidden. It is also understood that abusive and profane language is not permitted.

## LAKE SUSAN

This small lake located in the center of campus is primarily a beauty spot and used for boating and fishing only. Swimming and sunbathing are not allowed at the lake. Students must also stay off the lake when frozen. Students must not engage in throwing one another in the lake. Disciplinary action may be necessary in order to avoid injuries.

## MEETINGS

All meetings must be conducted by parliamentary procedure.

Because of the importance of full student participation and the difficulty of group planning with only partial membership present, attendance will be required for the following:

Official college convocations—two or three

Hall meetings

Dormitory meetings

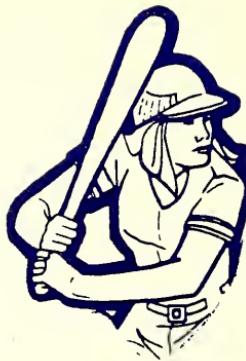

An excuse for absence from the above meetings must be obtained from the respective president before the meeting.

## NEW ORGANIZATIONS

(Action by the Office of Student Affairs)

The college does not approve of secret organizations, social fraternities, or sororities of any kind or of special groups whose membership is limited other than by interest.

A new organization (i.e. one not included in the list of clubs and organizations) may be authorized provided correct procedures are followed as established by the student affairs' office.

## **NON-DORMITORY LIVING**

(Action by Office of Student Affairs)

All freshmen and sophomores unless 21 or over are required to register as dormitory residents unless they are married or commuting students living with their family, or when because of special circumstances, some other arrangement has been made with the office of student affairs.

Members of the opposite sex shall be allowed to visit students off campus, as long as they comply with **all** the rules in the handbook. Day students' domiciles shall not be used as a substitute for a motel, nor shall it be looked at as a residence where students may engage in **any** activity which would be detrimental to the school or the school's character. Any breach of this shall result in immediate and strict disciplinary action by the associate dean for student affairs.

## **NUMBER OF WEEKENDS ALLOWED AWAY FROM COLLEGE**

During the first three weeks of the orientation period at the beginning of the college year, freshmen are restricted to campus.

After the first three weeks of the orientation period, students may use their discretion in choosing the number of weekends away from the campus.

## **OFF-CAMPUS CONVICTIONS**

(Action by Administrative Committee)

Any student convicted in a public court of law will be subject to investigation and possible disciplinary action.

## **PLAGIARISM**

(Action by Honor Council)

Plagiarism is the representation of another's words or ideas as one's own. It applies to verbatim quotations and paraphrases equally. The plagiarized source may be a book, magazine article, or merely another student's paper or even his ideas.

Plagiarism violates the fundamental trust underlying all academic work, that the work be the product of the student who submitted it.

## **PORNOGRAPHIC MATERIAL**

The possession of any pornographic material by students on campus is prohibited (including posters and such magazines as, e.g., "Playboy", "Playgirl", etc.).

## **POSSESSION OR USE OF ILLEGAL DRUGS**

(Action by the Administrative Committee)

Students who possess, consume, or sell any drug, on or off campus, are in serious violation of college regulations. Such persons will be tried by the administrative committee. The administrative committee will have the responsibility to review all cases concerning drugs. Burning of incense in the residence halls is prohibited. Action will range from rehabilitative consultation to expulsion.

## **RESPECT FOR PROPERTY**

*(Action by the Administrative Committee)*

It is expected that each student will keep the room he occupies clean and orderly. Upon written notice, students with unclean rooms will be given 24 hours to remedy the situation. Rooms will be inspected regularly by the resident director and the resident assistant and a report made to the associate dean for student affairs who will determine when violations require disciplinary action.

Any damage to a room or its furnishings will be paid by the student involved if known or by the students occupying the room.

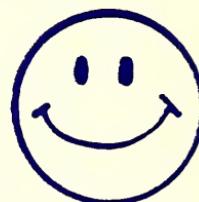

Damage to any part of one of the college dormitories (other than the individual student rooms) must be shared equally by all residents of the particular dormitory involved when the responsible party or parties are not apprehended. The proportionate share shall be the total cost of the repairs or replacements divided by the total number of residents in the given dormitory at the time of the damage or destruction.

The obligations incurred above shall constitute a debt to Montreat-Anderson College and shall be subject to all provisions and regulations pertaining to such debts.

Any student guilty of vandalism (deliberate destruction of property), shall be subject to disciplinary action by the administrative committee. He shall be subject to disciplinary probation, suspension, or expulsion. In every case in which his parents are providing financial support, they shall be informed of the offense and the action taken.

Property and buildings on or near campus not owned or supervised by the college are off limits to the student unless he has written permission from the owner with prior approval from the student affairs' office.

The vending machines are not to be tampered with or abused. Exercise good judgment in using them. If a machine does not work, report the matter to your resident director and place an out-of-order sign on it.

## **RESPECTING RIGHTS OF OTHERS**

Sutdents are to observe the property rights of others. Violation is an Honor Council offense.

"Do Not Disturb" signs are to be respected and failure to do so will result in a warning.

The lobbies are for the enjoyment and relaxation of residents and guests only. So that they can enjoy these areas, please keep them clean and respect the rights of others. When finished with snacks, please remove soft drink cans and other trash.

The damage or removal of lobby/lounge furniture will not be tolerated. Persons caught may be prosecuted. During visiting hours in the lobby/lounge, please wear appropriate clothing. In the lobby areas, night attire, including robes, is not to be worn until after closing hours.

## **SEXUAL BEHAVIOR**

*(Action by the Associate Dean for Student Affairs)*

Students shall uphold the Christian philosophy of Montreat-Anderson College by exemplifying proper forms of behavior. Students are therefore expected to refrain from petting and from extramarital intercourse. All forms of homosexuality or perversion are contrary to God's laws and are therefore unacceptable forms of behavior. Habitual violators will be heard by the associate dean for student affairs. Persons found guilty will normally be suspended from the college. Appeals may be submitted in writing within 24 hours to the chairman of the administrative committee.

Students shall possess high social ideals in their respect of others and in deciding the limits of personal intimacy engaged in, in public. Friendly hugs and kisses should not become passionate forms that might embarrass oneself and surely irritate others. Violators will be heard by the associate dean for student affairs. Persons found guilty will normally be placed on disciplinary probation for the first offense. The second offense will normally result in permanent suspension.

## **SMOKING POLICIES**

*(Action by Office of Student Affairs)*

Although there is strong evidence that smoking is hazardous to one's health, the college allows individuals to decide for themselves whether or not to smoke. These smoking policies include all forms of use of tobacco. There are certain places, and under certain circumstances, that tobacco shall be regulated:

1. No tobacco is permitted in any classroom.

2. No tobacco is permitted in the library except in the lower lounge.
3. No smoking is permitted in the science building.
4. No smoking is permitted in the gymnasium.
5. No tobacco is permitted in the Student Health Center.
6. No smoking is permitted in the elevators.
7. No tobacco is permitted in dormitory lobbies or hallways.
8. No smoking or use of tobacco is permitted in Belk Campus Center.

It is highly recommended that the students, staff and faculty refrain from smoking in the lobby and halls of Gaither. In addition, smokers should consistently be aware of the rights of non-smokers so as not to cause irritation, discomfort, or a health hazard. It is, therefore, recommended that smokers refrain from smoking at meetings, particularly indoors, where non-smokers are present (examples: dorm meetings, student activities, lobbies, and the cafeteria).

## **SUNBATHING**

Sunbathing is permitted only in the following areas: swimming pool for all students, the driveway behind the women's dorms for women residents, and for men at the athletic field. It is not allowed on the roofs of any building.

## **WEAPONS AND EXPLOSIVES**

*(Action by Office of Student Affairs)*

The possession of firearms, BB guns, bows, pellet guns, air guns, knives, firecrackers, or explosives of any kind is prohibited on campus.

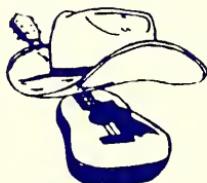

# **DORM LIVING**

## **BULLETIN BOARDS**

The resident director has the responsibility of determining what items are appropriate to be placed on the dorm bulletin boards.

## **DATING CONDUCT**

Students are to call for their dates in the lobby of the dormitory. Montreat-Anderson Hall has an intercom system for this. Students are expected to use discretion and good taste in their dating conduct in the public areas of residence halls as well as on the campus.

## **DORM HOURS**

(Quiet Hours, Study Hall, Curfew, and Locking Up)

**Quiet Hours** are from 7:00 to 9:00 p.m. Monday through Thursday and from 11:00 p.m. to 7:00 a.m. nightly.

**Study Hall** must be observed from 7:00 to 9:00 p.m. Monday through Thursday either in one's dorm room or in the library. All first-semester freshmen, sophomores, juniors, seniors, and students on academic probation must observe study hall until midterm grades are determined. After midterm grades are determined, required study hall applies only to students on academic probation, disciplinary probation, and those freshmen receiving **two or more unsatisfactory grades** at midterm. Absences from study hall must be approved in advance by a resident assistant or the resident director.

**Curfew** is as follows:

1st semester freshmen  
Sunday-Thursday  
12:00 midnight  
Friday & Sat.  
1:00 a.m.

All other students

Sunday-Thursday  
1:00 a.m.  
Friday & Sat.  
2:00 a.m.

Juniors and seniors not residing in McGregor may also take five late permissions each semester. Students wishing to take late permissions must arrange this in advance with their resident director. No late permission shall be granted for the night when the request comes after 11:00 p.m. unless it is an unavoidable emergency. Students on academic and/or disciplinary probation may not have late permissions.

The dormitories will be locked after the latest curfew. All students, unless they have late permission or permission to be out overnight, are expected to be in before the doors are locked and to remain in the dormitory until 7:00 a.m.

All students who exceed the curfew time stated above are subject to punishment for excessive late minutes. Names will be reported to the associate dean for student affairs.

## **McGregor Junior/Senior Residence Hall**

**Curfew:** Juniors and seniors living in McGregor Hall will be permitted to have personal judgment regarding curfew. They will have the responsibility to manage their time in a manner which takes into account the time needed to get adequate rest and maintain their academic pursuits.

The doors will be locked at 1:00 a.m. Sunday through Thursday and 2:00 a.m. Friday and Saturday. Upperclassmen will have access to a security lock system which will enable them entrance into the dorm after lock-up.

**Signing In and Out:** Overnight departures can be arranged seven days a week but must be approved and signed out for by the resident director or resident assistant **no later than 11:00 p.m.** This is to ensure the college's ability to locate and contact a student in the event of an emergency.

False information or failure to sign out for an overnight will result in disciplinary action. Juniors and seniors will be expected to uphold Christian ethics and model such before their peers.

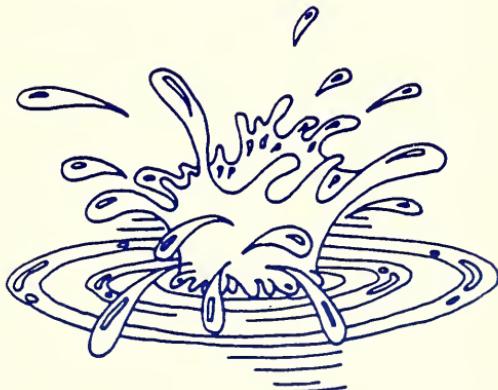

It shall be required that each upperclassman in McGregor keep a message board on his dormitory room door and leave information as to his whereabouts when leaving campus. The purpose for this requirement is to keep adequate communication among the hall residents.

**Quiet Hours:** In order to maintain an atmosphere highly conducive to study, quiet hours will be observed Sunday through Thursday evenings from 7:00 p.m. until 7:00 a.m. with the exception of open house. Open house shall not be scheduled more frequently than once per week and not prior to exams.\*

Study hall hours are not required of upperclassmen except for those on academic probation, disciplinary probation, or are a first semester student.

**\*Open House:** Upperclassmen may schedule one open house per week on an evening which the majority of the dorm selects. The hours shall be from 9:00 to 11:00 p.m. and regular "open house" rules apply.

Sophomore women residing in McGregor will be required to observe a 1:00 a.m. curfew Sunday through Thursday and 2:00 a.m. Friday and Saturday. Quiet hours for sophomore women are 7:00 p.m. to 7:00 a.m. They will also be required to sign in and out of the dorm under the same procedure as do the women in MA-Hall.

## HOUSEKEEPING

Dormitory rooms should be cleaned thoroughly once a week, and kept neat and tidy at all times. Room inspections will be held periodically by the resident director and assistants.

Rooms must be left clean at the beginning of vacations and at the end of the year when students check out. Failure to do so will mean a charge.

## INVENTORY CHECKLIST

The residents of each room are responsible for filling out a room checklist immediately after moving into their room. Any damage or missing furniture not indicated on this form will be chargeable to the room occupants at the time of room change or final checkout.

## ISSUANCE OF KEYS

Each student is given a key to his room before he moves into it. To receive the key, you must acknowledge receipt of your key in writing. Failure to return your room key or loss of key when checking out of your room will incur a charge of \$5.00 and the withholding of grades/transcripts until the charge is paid. If a key is lost during the school year, let your resident director know and he will have it replaced. **Keep your door locked at all times when you are away from your room.** The college cannot be responsible for the loss of students' personal belongings from their rooms.

## ITEMS TO BRING WHEN YOU COME

(A SMILE)

### ROOM ESSENTIALS

A pillow, two pillow cases, four single sheets, two blankets, a bedspread, wash cloths, bath towels, wastebasket, drinking glass or cup, broom, mop and cleaning supplies.

### WEARING SUGGESTIONS

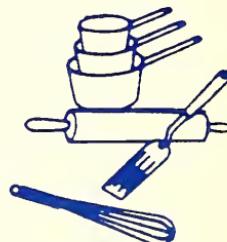

Mostly casual sports wear: jeans, slacks, etc. (plenty of jeans—great hiking and camping here). Dress clothes, rain gear (umbrella), heavy coats, winter gloves and caps, snow and ski wear (snow boots), walking and tennis shoes.

## OTHER ITEMS YOU MAY CHOOSE TO BRING

Clock with reliable alarm, camping and hiking equipment, athletic equipment, radios and stereos, scatter rugs, desk lamp, computer, refrigerator (small, compact size), fan (no ceiling fans), electric blanket, compact microwave.

## KITCHEN

If you plan to use the kitchen in MA Hall, Davis or McGregor Hall, please clean it thoroughly when you are finished. You are responsible for cleaning and storing the pots and pans you use. **If kitchens are not kept clean, they will have to be closed and locked.**

## NOISE LEVELS

Dormitories are to be reasonably quiet at all times; very quiet during study hours Monday through Thursday and after 11:00 at night. Excessive noise from stereos will not be tolerated and students may lose the right to use them. Students should honor the request of other students or staff to turn down their stereo.

## OCCUPANCY OF ROOMS

Students are asked to check the college's calendar regarding their dates of arrival on campus. **Do not arrive early!**

Keys for rooms **will not be issued** prior to the opening of the dormitories.

There are certain college holidays when the residence halls are closed. Prior to the beginning of these holidays, the director of residence life, in consultation with the college administration, will set a time and date when the buildings must be vacated. These college holidays are:

Fall mid-term break  
Thanksgiving holiday  
Christmas holiday  
Spring mid-term break

During holidays, students may leave their clothes and personal items in the building. Prior to summer school, all personal property must be removed from the building. There are no storage facilities available on campus. The college cannot be responsible for any personal property in the residence halls at any time. The college reserves the right to use the residence halls during college holidays for the purpose of college housing.

## **OPEN HOUSE RULES (9:00 - 11:00 p.m.)**

1. Visitor must be escorted by host or hostess.
2. Visitor must sign in at the front desk and turn in school ID.
3. Visitor may only visit in the room of the host or hostess. The visitor must realize that the host or hostess is responsible for the conduct in their room.
4. Door must be kept wide open at all times.
5. The noise level should be kept at minimum.
6. There will be student leaders or RAs on duty at all times—one on each hall and one sitting desk.
7. The visitor may **only** enter through the front entrance.
8. Each student receives one chance and one chance only to keep the above rules; otherwise, the privilege will be taken away.

The date and time will be posted in each dorm and on the bulletin board in Gaither and Belk Center.

## **OVERNIGHT GUESTS POLICY**

All guests who stay overnight on campus must register with the resident director and/or dorm president in the dormitory where they plan to stay. Each guest will fill out a registration card. If the guest has a car it should be registered with the dorm resident director. You are responsible for your guest as long as he is staying with you. Any student who houses a guest and fails to have them register is subject to receiving a warning. All guests must conduct themselves in accordance with the college regulations.

Having overnight guests during the week is discouraged. However, if you do wish to have a guest during the week, permission must be obtained from your resident director.

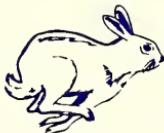

## **OVERNIGHTS**

*(Both Male and Female Students)*

All overnight departures from campus must be signed for and approved by the resident director or resident assistant by 11:00 p.m. before departure. Students on academic probation and first semester freshmen shall not take overnights Sunday-Thursday. Exceptions must be approved by the associate dean for student affairs. Students are not allowed Sunday through Thursday to spend the night in another dorm without permission from the resident director or resident assistant. Overnight permissions, except as previously restricted, are managed on an individual basis between the

resident director and students through forms mailed home during the summer whereby a policy is established with the parents' written permission. Generally, overnight permission should be limited to once per week excluding weekends. Freshmen may not sign out overnight for the first three weeks.

False information or failure to sign out for overnight departure will result in disciplinary action.

## PETS

Pets of all descriptions are prohibited from the residence halls.

## PRIVATE ROOMS

Private rooms will cost 1½ times the normal charge for a room. A private room is available only on the basis that such rooms exist after all students have been housed. Should a double room lose one of its occupants during a semester, you will be asked to consolidate within two weeks or pay the additional charge for a private room. This creates a standard of equity for students already renting private rooms.

## PROHIBITED AREAS

The road and area immediately behind Davis, McGregor, and Montreat-Anderson dormitories are off limits to members of the opposite sex at all times. Vehicle traffic is prohibited in the area behind McGregor and MA-Halls.

## RENTER'S INSURANCE

Some students' valuables and belongings are covered for loss and theft by their families' homeowner's insurance policy. It is advised that each student inquire as to whether he

is covered by such a policy. If not, it is highly recommended that a "renter's insurance policy" be purchased through a local insurance company or before he arrives on campus. Such a policy can be purchased for a reasonable amount.

## RESIDENT ASSISTANTS

Resident assistants are selected each spring to work with students on a given floor in each dormitory for the following year. They have the meaningful challenge of helping to involve fellow students in a variety of activities and experiences designed to make resident living more conducive to healthy growth and development. Therefore, they are selected in part on the basis of their Christian witness, their ability to manage their own affairs while helping to organize the affairs of the dorm, and a demonstrated rapport with fellow students. RAs are available to help you with personal problems, for guidance and support.

## RESIDENT DIRECTOR

To assist residents in developing healthy self-governance, the college provides each hall with a resident director along with the resident assistant. The RD lives in the apartment located on the first floor and is available for personal counseling as well as consultation in matters pertaining to the operation of the dormitory. His selection is based on qualifications that include a model of Christian character, a demonstrated ability to administer organizational programs and a pronounced interest in working with college students.

## ROOM CHANGES AND CONSOLIDATION OF ROOM

No person may take up residence without having been assigned a room.

Failure to abide by this rule will result in a \$10 fine. Room changes are discouraged but may be permitted after two full weeks of a semester have elapsed. To initiate a change, secure a "Resident Hall Room Change Request" form from the director of residence life. (Final approval by the director of residence life is required before the new room assignment is effective.) Your resident director will notify you of the decision concerning your room change.

If space is available, students are given the prerogative of renting a private room at a charge of 1½ times the per-student cost of a double room. Should a student's roommate move out during first semester, he will be asked to consolidate within two weeks or pay the additional charge for a private room. This creates a standard of equity for students already renting private rooms.

## ROOM CHARGE REFUND

After registration, room charges for residence halls will not be refunded.

## ROOM CHECK-OUT

After all personal possessions are removed, a student is to check out with his resident director for a final room inspection. Each room is expected to be clean and have the furniture in its original place when you leave. Any damages to a room will be listed and checked against the inventory you filled out when you moved into the room. Failure to have your resident director check you out can result in the withholding of your grades/transcripts, and loss of your room deposit.

δ δ

## ROOM CLEANLINESS

Room inspections are held periodically.

It is expected that you clean your room regularly. Do not sweep trash into the hall and leave it there. If a student's room fails to pass room inspection, he is given 24 hours to make it acceptable or receive room restriction until it is acceptable.

If you have any food in your room, keep it in a tightly-closed container.

The janitorial staff is responsible only for the public restroom facilities, lobby and public areas of the residence halls. Private and semi-private baths must be cleaned at least **weekly** by students.

Please do your part in picking up after yourself in halls and lobbies.

## ROOM DAMAGES

Occupants of dormitory rooms will be responsible for the condition of the room and its contents, including furniture, floors, walls, windows, doors, closets, carpet, etc.

Do not place posters on the walls with nails, glue, double stick foam or putty. USE ONLY MASKING TAPE. No nails are to be driven in the walls or woodwork for any reason.

Do not write or draw on college property.

Each person is responsible for furnishing ashtrays. Whether a person smokes or not, he should have an ashtray for his guests. If another student throws his cigarette on the floor and damage results, then you are responsible and will be charged for the damage.

**No furniture is to be moved out of the dormitory rooms.** Also, furniture in your room which is bolted or secured to walls or floors is not to be moved out of its original position.

## ROOM DECORATIONS

(Action by Dorm Council)

Since it is recognized that accepted standards of good taste and propriety impose certain limits on room decorations, it shall be left to the individual student's discretion, subject to the regulations in this handbook, as to the appropriateness of the internal decorations of individual rooms. However, it is expected that he will display on the walls of the rooms, the doors, and the hallways only such pictures and decorations as are in accord with the ideals and moral standards of the college. Therefore, offensive pictures or decorations such as nudity, illegal drugs, alcoholic beverages or satanic decorations may not be displayed within the room or in the window. Such observations should be reported to the resident director of the particular dormitory.

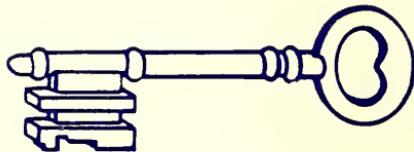

## ROOM DEPOSITS

(For the Coming Academic Year)

All receipts apply to any existing balance a student may have. A room deposit can only be made **after** the account is fully paid.

## ROOM ENTRY

The college reserves the right to enter a student's room for purposes of housekeeping inspection or for making repairs. (When authorized personnel do enter a student's room, every attempt will be made to contact the occupants to enable them to be present at the time of entry. This right does not include the privilege of searching the student's room **unless** the student gives permission, **or** unless a member of the administration or their representative is present.)

## ROOM FURNISHINGS

All residence halls are furnished with single beds, chairs, desks, dressers or drawer space, and clothes closets.

**Each student must provide his own wastebasket, linens, blankets and pillows.** Some students find it desirable to bring with them a bookcase and an additional study lamp. Curtains or blinds are provided in each room. Women sometimes find it desirable to complement their venetian blinds with their own curtains.

### Window dimensions are:

MA Hall - width-97" — height-57"  
closets use long curtain size  
(approximate size of shower curtain)

McGregor — width-74" — height-62"

**All furniture is to remain in each assigned room. No lofts are permitted to be built in dorm rooms.**

## **ROOM SAFETY AND APPLIANCES**

Due to health and safety regulations, no multiple electrical outlets may be added to existing sockets. You may use hot pots, popcorn poppers and compact microwaves, but no ovens or hot plates may be used for cooking. Refrigerators must be disconnected during vacation periods and **all** food must be removed. No other cooking is allowed in dormitory rooms.

If students desire to supplement heat in rooms, consult your resident director for permission.

## **ROOM SEARCH AND SEIZURE**

(Action by the Associate Dean for Student Affairs)

The administration reserves the right to allow deans, resident directors, resident assistants and other designated personnel to enter any dormitory room, whether occupied or not. It shall not be necessary for any of the above mentioned employees to refrain from entering a student's room without invitation. Rooms must be inspected regularly to assess their cleanliness and other health standards established by law. No room will be searched or any materials seized except illegal goods or stolen property without the presence of a member of the administration or their representative present, or without the consent of the occupant(s).

## **SIGNING IN AND OUT**

Any freshman or sophomore anticipating being off campus in the late evening must sign out before leaving. When returning to the dormitory, the student should sign in at the time of return. If tardiness is unavoidable, the student must call the resident director prior to curfew time to make arrangements to be let in late.

Juniors and seniors are not required to sign out, but may volunteer to do so.

Students may not sign in until their dates have left the dormitory. Any lateness beyond the curfew hour (by the clock in the lobby) will be recorded and will result in disciplinary action when more than 15 minutes have been accumulated during one semester. Late minutes do not carry over from one semester to the next.

## **SOLICITATION POLICY**

Off-campus salesmen are not permitted to sell door-to-door. Any door-to-door soliciting of this type should be reported immediately to your resident director and appropriate action will be taken by the associate dean for student affairs.

## **TELEPHONES**

All of the floors in the dormitories have public pay phones. Phone numbers are listed on the last page of this handbook.

All calls should be held to a minimum out of consideration for others. Failure to observe this limit may result in dorm council action.

Residents are permitted telephone installations in their own rooms at the resident's expense. The resident director and associate dean for student affairs must be notified before the telephone is installed.

## **TELEVISION**

Use care and judgment in regulating the television set. **Priority for control**

**is given to the residents of that dormitory.** Show consideration in adjusting the volume so that noise does not become a problem to others who choose not to watch TV. Please respect the wishes and rights of others in the lounge—both TV watchers and non-watchers.

## VISITING HOURS

The lobby of all dormitories will close Sunday through Thursday at 12:00 midnight; Friday and Saturday at 1:00 a.m. Opening hours will be posted.

All dormitories at Montreat-Anderson College are single-sex except for lobbies. The **exception** is McGregor, which is a junior/senior dorm. The floors are off-limits to members of the opposite sex except during official open houses or by special permission of the resident director.

## VISITING IN DORMITORIES

Visitors are to observe regulations for visiting hours in each dormitory. Proper entrance is through the front door leading to the lobby. Fire escapes and/or windows may not be used except for emergencies.

The lobbies in the dormitories are open from 10:00 a.m. to 12 midnight Sunday-Thursday and 10:00 a.m. to 1:00 a.m. Friday and Saturday. Exception is made when dates wish to meet for church on Sunday morning.

Please read section on "Overnight Guests Policy" for further details.

## THE HONOR SYSTEM

Life at Montreat-Anderson College is based on the belief that the ideal community is made up of honorable individuals. Mutual trust and consideration are essential to such a community, and it is for these that we strive.

Each student and faculty member has a responsibility for himself and for every other member of the college community. The failure of one person to live honorably is in part the failure of all. The movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college.

For this reason the students at Montreat-Anderson have accepted the "Honor System," under which each student agrees to try to discipline his own life and to be ready to help all others to discipline their lives toward the goal of a community in which each member will merit trust and respect. It is in large part due to the acceptance by faculty and students of the Honor System as a way of life, that the "Spirit of Montreat" is a reality, not only on the campus, but wherever former Montreat students are found.

Composed of students and faculty advisors, the Honor Council is principally interested in help for offenders of the Honor Code, rather than in punishment. Although fellow students might prefer to counsel rather than report those who fail to uphold the Honor Code, it is important that the responsibility for deciding upon what is best for the student and the school rest with the Honor Council, which has been charged with dealing with weaknesses in the community.

## **THE HONOR CODE**

Under the Honor Code, you, the student, are on your honor not to lie, cheat, or steal, and, if you do, you are on your honor to report yourself within 24 hours to a member of the Honor Council. If you see another student lying, cheating or stealing, you are on your honor to report him, with the option of asking him to report himself to a member of the Honor Council or to report him to an employee of the college.

The Honor Code places upon you a dual responsibility. First you are responsible to see that you conduct yourself in accordance with the Honor Code. Secondly, you also are responsible insofar as possible to see that your fellow students do likewise. This system places considerable responsibility for self government on the students themselves. The college believes that mature students are capable of handling this serious responsibility. You are the governing system and you are responsible for its success.

## **THE HONOR PLEDGE**

I PLEDGE WITH GOD'S HELP TO UPHOLD THE HONOR CODE OF MONTREAT-ANDERSON COLLEGE. I STATE MY ACCEPTANCE OF THE PRINCIPLES EXPRESSED IN THIS HONOR SYSTEM AND PLEDGE TO LIVE SO AS TO MAKE IT MEANINGFUL TO MYSELF AND TO THE COLLEGE COMMUNITY.

## ALMA MATER

How dear to our hearts will the memory be  
    Of the days we have spent in thy care,  
When within thy dear halls we have lingered awhile  
    All thy gifts and thy blessings to share.  
So the memory of thee will ever remain  
    While we think of each dear hallowed scene;  
And the bonds of true loyalty, blest though the years,  
    Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,  
    Though the coming years scatter us far;  
Any ideals you taught us will ever be bright  
    Shining out as our life's guiding star.  
We will cherish thy name wherever we roam,  
    And forever thy praises repeat.  
Hail to thee, Alma Mater, our happiest days  
    Are the days we have spent in Montreat.
